Email; info@heathrowgymnastics.org

1st September 2017

Dear Parents/Carers,

This information applies to gymnasts who attend classes of 1.5 hours or longer.
(i.e. NOT elementary classes.)

Due to new data protection regulations British Gymnastics (BG) have changed the way parents register and pay for the annual membership and insurance.

We will still collect the annual fee from you in September, however we are not allowed to send British Gymnastics your child's details for registration.

Between October 1st and 14th YOU must register your child on the British gymnastics web site.

You can do this at home on your PC, iPad, phone etc OR we will have staff and tablets to guide you through this at the gym. If you know your previous log-on details that will speed the process. When you have completed your registration, BG will claim your membership fee from Heathrow GC.

SUMMARY

Elementary and Gymlet classes pay HGC an £11 insurance fee exactly as 2016. No BG registration is necessary.

Intermediate classes and longer pay HGC £20.50 for a BG AND London membership and insurance.

Gymnasts who compete will need silver membership, also paid with your gym fees, total £44.50.

After the 14th October, if you haven't registered your child they will be unable to train or compete.

Exact log in details/URL will follow shortly.

We understand it may cause some confusion we will do our best to make it as smooth as possible.
